A Message from Our Team

Here at the Troy Dream Center, we are more than just a program—we are a family. Our mission is to see men and women rise above and transform their lives through a faith-based, intensive, 12-month residential program. We provide a safe haven and a structured path to recovery, and we do it all with the generous support of our community.

Every day, we witness the incredible resilience and strength of individuals who are working to become productive citizens and loving members of their families. They are taking on the hard work of recovery and are an inspiration to us all. We are so grateful for your support, which makes this life-changing work possible.

Transforming Lives, Building Futures

Our unique 12-month program is designed to provide a comprehensive path to lasting change. The first six months are focused on intense, inpatient curriculum and community service, building a strong foundation for recovery. In the second half of the program, our residents transition into the "work program," partnering with local businesses to apply their new skills, secure employment, and reintegrate into society as productive members of the workforce. It's a powerful journey of personal growth and professional development.

Your Support Makes a Difference!

The Troy Dream Center operates at no cost upon entry to our residents, thanks to the generosity of our community. We are fully supported by donations and are a testament to what we can achieve when we come together.

How You Can Help:

Financial Support: Every dollar you donate directly funds our program, providing housing, curriculum, and the resources our residents need to succeed.

Spread the Word: We believe in the power of shared purpose. Please share our mission with your family, friends, and professional networks, as it can inspire others to invest in the future of our families and community.

A message from our Executive Director Emil Moore

Did you know that the Troy Dream Center's one-year program costs \$15,000, offering a comprehensive faith-based recovery journey. In contrast, other insurance-based recovery homes charge ~\$1,000/day, far exceeding our cost. As a community supported & funded organization, your support is vital to our success. Please continue or start giving as the Lord directs you. Have the best day! You can give at troydreamcenter.com or contact us for details.
